

# LIFT OFF!

## X-FUEL™

Experience the Bioenergetic Difference  
X-FUEL Can Make In Your Life!

X-FUEL is uniquely powered by a blend of Internationally Researched Bioenergetic Nutrients and Botanical Ingredients that help you feel energized.<sup>†</sup>

## The Science-Based Bioenergetic Nutrients & Botanical Ingredients in X-FUEL:

- Enhance Focus & Mental Energy<sup>†</sup>
- Enhance Mental Performance<sup>†</sup>
- Promote Endurance<sup>†</sup>
- Decrease Mental Fatigue<sup>†</sup>
- Help Healthy Adults Stay Focused and Productive<sup>†</sup>

We believe **X-FUEL** is the first of its kind, ultra-premier brain health energy drink mix formulated with Internationally Researched Bioenergetic Nutrients, Botanical Ingredients, co-enzymated B-vitamins, and Krebs' Cycle Intermediates all designed to help active adults power through fast-paced lifestyles. This formula is a lot like our Memory-Works® formula with some nutrient adjustments, slightly more caffeine (it is an "energy" drink) and the addition of L-carnitine to support healthy fat metabolism during exercise.<sup>†</sup> **X-FUEL** is a perfect pre-workout drink, and we expect the delicious natural **lemon drop flavor** to be a huge hit with younger performance-driven adults!

**X-FUEL provides the simplest, most convenient solution for Bioenergetic nutrient supplementation today!**

**X-FUEL** is built to be the "cleanest energy drink on the planet." Frankly, this category is littered with compromised and potentially toxic ingredients, as well as loaded with short-cuts like grams-on-grams of simple blood-spiking sugars, artificial sweeteners, additives, toxic preservatives, acidic carbonation, and cheap, synthetic store-bought multivitamin ingredients like cyanocobalamin. While many products claim to be "natural" and often utilize "natural flavors," almost every one utilizes artificial sweeteners that many nutritionally oriented healthcare practitioners feel are deleterious to both brain and physical health.

**For this reason, X-FUEL proudly features:**

- Zero** artificial colors
- Zero** artificial sweeteners
- Zero** artificial flavors
- Zero** artificial preservatives
- Zero** acidic carbonation
- Zero** added sucrose, dextrose, fructose or glucose
- Zero** sugary fruit juice concentrates
- Zero** cyanocobalamin
- Zero** magnesium oxide
- Zero** titanium dioxide

Supplement Facts		
Serving Size: 1 packet (7.7g)		
Servings Per Container: 12		
Amount Per Serving		% DV
Calories	5	
Total Carbohydrate	3 g	1%*
Dietary Fiber	2 g	7%
Total Sugars	0 g	**
Includes (g) Added Sugars	0 g	0%
Vitamin C (as ascorbic acid & magnesium ascorbate)	250 mg	278%
Thiamin (as thiamin HCl)	0.7 mg	58%
